Press Release

FOR IMMEDIATE RELEASE

January 28, 2004

Kathrein-Scala activates its new Website

Updated site includes hundreds of antennas and accessories and tech info

Medford, OR – Kathrein-Scala has inaugurated operation of its new site on the World-wide Web, www.kathrein-scala.com. Information on antennas and accessories for land mobile wireless communications and broadcast applications is available on this completely new Website.

The site includes many new features:

Product Finder – permits searching an on-line database using a few performance parameters as search keys; provides downloadable data sheets.

Product Browser – search antenna products by band of operation; provides downloadable data sheets.

On-line customer instructions – downloadable instruction sheets for most Kathrein products

Downloadable Tech Bulletins

Cross reference information

Downloadable RF calculator

New product announcements, trade show appearances, employment opportunities, and more are all available. On-Line literature requests and product inquiries are possible through a form-based request system.

Kathrein Inc., Scala Division, is located in Medford, Oregon. Kathrein manufactures a complete line of antenna and filter systems for wireless telephone, land mobile radio, air-ground and broadcast systems. Kathrein-Scala is an ISO 9001 and ISO 14000 registered firm and is part of the Kathrein Group, the world's oldest and largest provider of broadcast and communications antenna technology.
